“ Sweet Cousin, My fondest childhood memories are filled with special moments of you. Playing board games and cards for hours at a time, listening to that amazing laugh, as you seem to always win. :- ) Camping in the back yard and chasing the chickens... again the memory of your laugh. Then there were the roller coasters, specifically, Space Mountain at Disneyland. I was always in awe of your fearlessness and admired you for that. I remember how fast you could play Simon and I wished to be that skilled some day. I am sure you are laughing again in Heaven with your Mom. Thank you for being a part of my childhood. You were a sweetie. Love, Jeannine
