

Perry Lyndon Brandt

July 28, 1959 - May 15, 2023

Perry Lyndon Brandt sadly passed away on May 15th, 2023, at the age of 63 years. He was born July 28, 1959, in Nevada and is predeceased by his parents Leroy and Ilene Brandt and his son Alexander Lyndon Brandt. He is survived by his daughter Toni Marie Hurley and his sister Karen Tadlock and her family.

He was a son, a brother, a husband, and a father. He worked very hard his entire life! He started out being a mechanic at a young age; he loved to work on motorcycles and race cars. He made a name for himself as one of the top engine builders at Firestone! Eventually he would work his way into being a service writer at a dealership followed by General Manager. Over the years he owned a few businesses all within the automotive dealership industry as a top consultant. He shared his knowledge and skill set with other dealerships to increase their financial profits and success. He is truly admired by his colleagues, old and new.

As for some of his other hobbies, he enjoyed playing golf and spending time at the country club. A treasured memory is when he got to play with Tiger Woods and proudly displayed the photo placard on his office wall. He also loved his Harley Davidson motorcycle; he took many trips, solo and with friends. The hobby that he most recently fell in love with was being a cowboy. In 2021 he purchased a horse from a friend and his life was forever changed. He and Taxi spent many weekends together all while creating memories with his ranch family.

He was loved by so many and will truly be missed!!

His Memorial Service will be held at Preston & Simons Mortuary on Thursday,

“ I had the pleasure of knowing Perry for 8 years. We were the best of friends and each others person. He was very passionate about his work, family and his boy Taxi. Perry could do just about anything. He was the fixer of all. A mathematician. Great story teller. Very kind hearted. He was quiet most of the time because he was a fabulous listener. Over the years we did a lot of fun things together but this last 3 years with horses have been the best. Perry became the cowboy he dreamed of since he was little. I miss you B. I now have a wonderful relationship with his daughter Toni which is a huge win. Thank you Toni! And Godspeed B. Thank you for EVERYTHING! ❤️

“ I met Perry at a Hemborg Ford in Norco, CA. He always gave me work when he could and I appreciate all he did for me! He was such a great guy and we would always laugh and joke when we would see each other. It made me so happy to see pictures of him with his horse Taxi! He looked so happy. Ride Cowboy ride! See you on the other side! RIP

“ *I didn't know Perry for very long but I can say he was a good friend. I came to the ranch where he boards Taxi. He was always so kind and kind of made you feel taken care of. I would pull up to the barn see his truck and somehow you always felt okay Just knowing he was there! He was definitely taken from us way too soon and is etched in our hearts forever. Rest in peace my friend!* 🙏💜
