“ Ralph and I became friends and team mates in the 9th grade at Foothills Junior High School in Arcadia, CA, and stayed that way through our three years at Arcadia High School. We played football and put the shot in track. Team photos in our h.s. yearbooks usually showed us sitting or standing side by side. Since then we kept in touch. Every conversation got around to games we played together, which Ralph could recall in amazing detail. He stayed in touch with other team mates and classmates through the years and was a source of information about them. He was a caring and consistent friend. I'll miss him. Condolences to Pat and his kids and grandkids.--Tim Weber, A.H.S., '65

“ Carol and I are very sorry to hear of Ralph's passing. He was a valued member of the 75th Military Squadron at Travis AFB, CA, flying the C5A aircraft. Ralph was extremely competent and totally professional in everything he did. His upbeat attitude and ready smile will always be remembered. Please accept our sincere condolences, Pat, and for your family as well. God bless each.
