“ *The sun will rise wondering where his best friend has gone. Mr. Ray Perez loved Spring and everything that came with it, from bright floral colors to warm sunny days. Thanks to a man who always made me feel like one of the family when I was growing up. He was always concerned with my wellbeing and was a positive role model in my life... I will always think of you as a father figure and I know you are smiling down from Heaven, shaking your finger at my silliness. I love you and miss you.*
