“ I would spend time with Richard or just hang out under the tree of my front yard. When We were doing lawns he would cut grass with me. He would take the bus to the downtown coffee shop or just go for walks. He looked forward to the opening of the new library in Riverside.

Being the oldest of the four brothers they should know that was proud of them. One time he told me that his mom would make him "Chile Verde". He loved his family and missed them. At times he would go with me to the gym, shopping or get his haircut. We'd go to "Great Clips" to get a hair cut and a meal at Canyon Crest cafe. It's very important in life to care for the children of God. Show them Respect and love..

We're going to miss you Richard in this Geary Place neighborhood. It was my honor being your friend. David Romo
