“ *It was my pleasure to have been Richard's friend since our much younger days. We spent many, many evenings sitting in my kitchen sharing dinners, wine, funny conversations and confidences. My brother will be so glad to have your good company again, Richard. If you'll save a seat at the end of the bar for me, I'll promise to keep playing the lottery for you. Peace to you, my lovely friend.*

“ My Name is Stephen Moore, and I met my dear life-long friend Richard 42 years ago in Fairmont Park Riverside. We became fast friends, and traveled many of life's journeys together. Brett and Richard and David & Stephen - we were quite the foursome for many years in Riverside/San Bernardino - spending countless years vacationing, dancing, and enjoying life. I have been blessed to have known Richard as a close confidant for many years. His quick wit and laughter is something I will cherish and miss for the rest of my life. I love you Richard! I know you are in Paradise - look after me from there - you know I need it! Love, Stephen Moore - 503 West St. North Henderson Illinois, 309-369-9062
