“ Hi Stephanie,I was just clearing old files, came across Richard's, didn't see a phone #, so went online to look for contact info and say "hello". Imagine my shock! His passing was so untimely, much too soon!! I am so sorry!! I have always remembered Richard as a hale and hearty guy, full of life, and dedicated to you and his kids. I hope you and his children are okay. I have an old cell # for you on my Rolodex, will try it. Mine is 562-852-7038 if you'd like to chat. Best Wishes,Robert

“ Hi Stephanie, My sincerest condolences to you. Benji and I were friends throughout high school, he was such a sweetheart. Probably the nicest guy ever with such a kind heart, always smiling. I am so saddened to hear of his passing at such a young age, tragic. In reading your posts, Im so happy that Richard found such a wonderful love, it helps to know that even though his life was cut short, he had shared it with someone who loved him so much. Prayers for peace, Margrette Donsbach- Sibell
