“ My Years with SCE & the Pipeline Crew were some of my best times. Buddy was part of those times. I am sadden by his passing. My thoughts & prayers are with his family now. I look forward to seeing those members of our pipeline family, that attend the service. For those of you not attending, I send you pleasant thoughts during this time. We were a great team & we still are. I am thankful for our friends that still keep us connected thru e-mail and social media, you know who you are...
