“ My dad..... where do I start he's was the best to me. I looked to my dad for guidance all my life I would call him when ever I had a question about life,business or what ever I was stuck with in my life . He had suck way to explain to how things work like my favorite saying of his was it's not just turning a screw is what your paying for it's knowing when to stop lol and it's saying like this that got me thru life. I can't tell you how many moments and memories I have with my dad we would be here for a life time lol dad I'm going to miss you very much i love you dad you will always be with me in my heart
