“ I miss you Rio. You made me laugh so hard during some of the hardest times in my life. I think about you often, especially today for whatever reason. You were a funny, kind and energetic soul. An irreplaceable person. You are missed by many to this day, I’m just one of many. I will never forget our inside jokes and how much you always cheered me up. Your hilarious Snapchats were the only reason I used the app. Thank you so much Rio. I’m so sorry you’re gone. We’ll meet again one day. xoxo
