“ *Its been a very difficult 6 months since you passed. We've all been trying very hard to be strong, but your absence is strongly felt. You'll never read this, but perhaps you can feel the love in the great beyond, or perhaps love radiates down to the very dust you've become. I'll never forget you pop.*

“ Rodney, Fun is the first word that comes to mind when thinking of you. In the early years at my mom's, getting away from the crowd and having a private party for a few moments. Partying with the Chiarles', I never made it to Lee Vining but, I understand Randy may be going there to drop a little bit of you for permanent residency. Maybe Elizabeth and I will tag along, Love you always, Steve
