“ *Im so sorry I didnt visit you as often this year as Id loved to normally. Due to my pregnancy and Covid-19 precautions. This Veteran was my favorite patient. I took him to the VA 3 times a weeks in 2019 until another ambulance company took over. Since, I would visit and ask him how he is. He always remembered me by my first name or Sweetheart. I had a lot to do with advocating for him while he was in the Nursing home. I wish I had visited him one last time. My heart is broken. I pray to see you again Mr Chatham!* ”
