“ Dear Joel, I worked with your beautiful late wife, Ronda, for years at Odyssey Hospice. She was an amazing soul, a fantastic professional we laughed about so many similar life experiences. I wanted to reach out to her today and when her number didn't work I googled her...thinking I would find where perhaps the two of you might have moved. I am still in shock to see her obituary and deeply saddened for your loss and that of your entire family. Please know I am keeping her memory in my heart always, Lesleigh Tolin

“ Our Dear Rhonda, Words cannot express the sadness we feel without you. Generosity ran through you to anyone you met. A bright sunshine lit every room everytime you walked in. Our hearts ache for a dear friend who left us too soon. You will always be in our hearts and memories! You are truly a classy lady who left an imprint on everyone you knew! We will always feel the love everytime we think of you. ❤️
