“ *My fondest memories were having Rosalind as a neighbor. She would join me on the patio, sharing stories, and she had many! She loved to bake sweets, and would tell me to meet her at the door. To my surprise the delicious treat would still be warm with a scoop of ice cream on top. We would chat and laugh and I would tell her how good it was. I would make a soul food dish and share with her as well. She enjoyed my soul food. She was such a sweet and crazy woman, the best neighbor a person could ever have. Her laughter was worth a million dollars! She will be missed. April, Joey and family, you have my deepest condolences. Much love! Marilyn*
