“ Mom, I never thought I would have to deal with the tough reality of you no longer here. There's no words to really explain how I feel, except that my heart is broken. I just want to hug you, hear your voice, ANYTHING. I miss you terribly Mom. This will never feel real to me. I'm trying to find a way to be able to see your spirit Mommy; just a glimpse would be all the peace I need to know I'll see you one day. I will always keep your memory alive Mom, and Alanna will know her grandma loved her with all her heart. You're irreplaceable, and life isn't the same without you. Til we meet again Mommy, I will make you proud of me. I love you forever. Love Always, Your Daughter Kimberly Ann

“ Hi aunt ruthie I wanted to call you today to see how you were but made me think your not here. I hate how soon you were taken from us. You know me I was always the hard head that got on everyone in the family I wish I could hear your voice just one more time. I hope you are out of pain and getting to see nana and dzia dzia and Janice and Annie. Its almost your birthday and this will be the hardest day in a while. I love you and rest easy
