“ Knew Steve back in the 60.s when he worked with Riverside sheriffs. I worked at the donut shop (where else) and he came in every day with the guys. Would let my son sit in the patrol car. Great guy wonderful laugh.

“ I had the opportunity to work with Steve at the DA's Office from 1985 until he retired in 1997. Steve was always professional and upbeat. When I first started with the office Steve helped me a great deal by providing input and advice. I will always recall his great sense of humor and his passion. Tom & Ranae Shanley

“ *Stephen was my handsome, funny, cool cousin. I remember walking home from elementary school some days and seeing the big van he used to drive parked in front of our house. I would run into the house, eager to see my cousin with the big Afro and even bigger personality. He told the best stories in the best ways. His whole face would light up as he told his stories and jokes and his laughter would delight me. Nobody laughed like my cousin Stephen. I am so sorry that he has passed on but Im happy to think of Stephen and Jan together again. God bless.*
