“ I met Susie many years ago and got to know her throughout the years through Cindy. She was a kind caring person and had a childlike innocence about her. I'm blessed to have known her. ❤️

“ Susie was our to go to Avon Representative. My Avon specialist. Over 35years. She was real nice to my mom. And then instantly she became my Cousin Susie. She was very honorable. I loved Susie she was a very sweet person. I know at the end we were playing phone tag. But I know you're resting now. May you be one of my Angels. 🤝💔😭

“ Susie always asked my grandma when we were making sweets and my grandma always made sure we brought her what she would ask us to make, plus more. Even after my grandma passed away, my mom and I always made sure she got more. Delivering to Susie was always fun for me. She would leave the cutest notes and would tip me often knowing I was in school. I know she's resting and maybe eating cream puffs with my Nana now, too.

“ My fondest memory of Susie was of her at 4 and half years of age! She was dressed in a pretty frilly white dress, walking down an aisle in a little tiny church in Glen in Avon! She was scattering rose petals as she walked along, and she actually resembled a beautiful little angel! Susie was my flower girl at my wedding and she was the prettiest little flower girl in my eyes that there ever was! Susie your memory lives forever on in all your family's' hearts! Aunt Verna
