“ *My daughter was the strongest person I've ever met. Her spirit and courage will live on in me forever. For the brief moment of time she was with us her on this earth, her strength and willingness to survive along with her passion for living has left us all an example on how we should live our lives. I will miss my daughter greatly. I will find comfort in knowing she's in a better place. A place without pain and suffering. Her loving impression will be forever in my heart and soul. I love you Taylor. Dad*
