July 13, 1937 - February 2, 2025

In Loving Memory of Terry Ann Erickson

It is with profound sadness that we announce the passing of our beloved mother, Terry Ann Erickson, on February 2, 2025, at the age of 87. She was at home with her loving family at the time of her death.

Terry was born on July 13, 1937 in Anchorage in the Territory of Alaska to Perry Proctor Thompson and Mary Ann Stewart. She was a devoted mother, a caring friend, and a person who had an enduring love for her family. She touched the lives of all who knew her with her kindness, generosity, and unyielding love.

Terry graduated from Nursing School in 1959 as a Registered Nurse and subsequently enlisted in the United States Air Force where she later met her husband who was a pilot. They were married on October 5, 1963 at Travis Air Force Base, California. Together they had one son James Perry Erickson born on February 6, 1966.

Terry was a woman of deep faith and strength, she cared deeply for her small family, always prioritizing their happiness and well-being. She was known for her warm heart, and her ability to make every person feel special. Her greatest joy was spending time with her family and watching her grandchildren

grow.

Her hobbies included tennis, quilting, genealogy and gardening. She was a proud member of several organizations including the Moreno Valley Genealogy Society and the Daughters of the American Revolution.

She is survived by her brother John Thompson, her son James Perry Erickson, her granddaughter Lauren Catherine Erickson and her grandson Ryan James Erickson, who will forever cherish her memory. She was preceded in death by her parents and her husband Col. James Peter Erickson.

A funeral service will be held on February 25, 2025 at the Riverside National Cometary with Military Honors next to her husband. The internment is scheduled for 1015 hours. While our hearts are heavy, we take comfort in knowing that she is at peace and in Heaven. Terry Ann Erickson will be deeply missed but never forgotten. Rest in peace, dear mother, you will always be loved and remembered

“ *On behalf of the Pacific Region of the Society of Air Force Nurses (SAFN), I would like to express our sincere condolences at the loss of your loved one. We are also mourning the loss of our colleague and friend. Coincidentally, I was also stationed at Travis Air Force Base and worked at David Grant Medical Center on the hill in the mid-80s. She was remembered in the Monthly Memorial Program Message which was sent to all SAFN members so you may hear from other Air Force nurses who served with her.*

*Sincerely,
