“ To the family of Thelma Bolen: She and I met at the YMCA while in a Silver Sneakers Exercise Class probably in the early 2000's. After the Y closed she and I would see one another a Goeske Senior Citizen facility at a Light Exercise Class. She did what I could not do and that was get on a floor mat for some of the exercise, I so admired her for that. She had a friendly personality and always a smile on her face. It has been sometime since she was at Goeske and I have missed seeing her. I sincerely send my condolences to each of you. Sincerely,
