April 30, 1956 - May 10, 2026

Thomas George Beebe rode off to the sunset on the 7th day of the week, at 13:30, on May 10, 2026 at the young age of 70.

His love for the beach started at birth as he was born in Santa Monica California and resided in Newport Beach, CA at his time of passing.

He is a distinguished Army veteran who fought in combat in Vietnam, Cambodia, and Korea.

He was a decorated army veteran earning the National Defense Service Medal and Good Conduct Medal and infantryman. While he witnessed too many unspeakable atrocities and great human suffering, he maintained his sense of humor, kindness, and generosity. He was loved by his many friends and family. He had an amazing ability to make anyone laugh. He had a heart of gold. He was generous, kind, and upheld his role as protector which extended beyond his inner circle to people in need. If you needed help, he was always there for you.

He loved driving his Harley and Ford truck fast and loud going on long adventures. He lived life boldly. He was a dog whisperer and never met a dog, no matter the size, breed, or temperament that did not fall in love with him instantly. He is survived by his sister Cyndi and Tanya and niece Xulani and nephew Jackson.

He is preceded by his mother Abla, father, Tawfik, sisters Connie and Bonnie, and his baby dog Honey.
