“ I'm sorry to hear about the passing of Uncle Tim. As memories go, I always think about his van with a Mermaid mural painted on it. Aunt Becky always having a fit about the "boobies". Too funny, I think he got rid of it because of that. He was always kind to me and my siblings. Hopefully he has been reunited with Becky and all their fur babies.

“ Timmie, I remember the day Mama And Daddy brought you home. I remember so many times, as boys, we played and grew up together. I watched you grow up and become a man, a good man. I cannot share all of the memorable and wonderful times we had together, and there were many. I'm so happy that you are finally at peace. I'm happy that you are now with Mama and Daddy and your brother and sisters. Tell them Hi for me. I will be there to join you soon. Your loving brother Jack.
