“ *I've never met a single man more interested in the success of my sisters and I, than Tim. His wife and him made more days better than anyone else in the room. Whether he was interested in the births of my family or the well beings of them, he never failed to inquire and always showed serious interest. I'll miss you everyday Tim! You are a true inspiration and I hope that one day I can be half the human you were! I love you! And I promise to forever love your wife as my own mother! Rest in peace Tim!*

“ *My heart goes out to Patty & other family of Tims. You are in my prayers. Tim was such a sweet & caring man with a kind & gentle soul. In all the years I knew him he always insisted on a little peck and never once did he not ask me to fill him in on my daughters lives. I will miss our many discussions on History. Heaven will be brighter with Tim there. May God be with his loved ones.*
