“ My condolences to the Pietro family. I found Dr. Pietro's obituary by accident but I am deeply sadden by it. Dr. Pietro was my doctor, and my mothers doctor for years. When I first met him I told him I had a teacher in High School that had the same last name, and it turned out to be Mrs. Pietro (she was one of my favorite teachers, over 32 years ago.) He was an excellent doctor, and person. He will always be remembered for the great person he was. Again, my condolences to Mrs. Pietro and the entire Pietro family.

“ My wife and I were talking to our son and Tim's name came up. We had been good friends in medical school and Tim had introduced me and my wife. We always wanted to find some time to get together, but Tim was too busy. I figured it would have to wait until he retired. And then my wife came across Tim's obituary. We are heartbroken. I am so upset. I am so sorry I did not make it a priority to have a reunion with him. For my wife and I to fly down and meet him and his wife. I pray for his wife and daughters that they have peace now.

“ I first met Dr. Pietro as a patient 10 years ago. I was so impressed by his candor, his professional manner, and his concern for his patients. I was contemplating a procedure and it was a difficult decision for me. In fact, it took me eight years and three visits to finally decide to do the procedure. I was so shocked and saddened by the loss of this gentle, no nonsense man. I will miss his presence.

“ I was saddened and heart broken to hear of the loss of Tim. He was a friend, a mentor and a colleague. Tim and I met during my training as a Urology Resident at Loma Linda University. He was working in Riverside along with Dick Wilson who became the first urologist I worked for after completing my training. I worked with Tim and Dick for two years and we had great fun together! He was a true mentor to me and forged my experience as a physician and surgeon. Tim was technical an outstanding surgeon with great insight and excellent judgement. He was a gentleman and scholar and the world has lost a great man, a great husband, a great father.I often think of him when I am in the operating room. He always had great advice and I can remember my time with him like it was yesterday. He became a loved member of his community and will be missed by all who knew him. My prayers go out to Tim and his lovely family. May the God Lord look at for him and his family.Marc Alan Beaghler, MDVentura, Ca 9/12/19

“ *Im so sorry to have heard the news that Tim has left us. It was unexpected. I met with Tim several times over the past 15 years as a fellow physician as well as kept up to date on his activities. Tim was truly passionate about his knowledge and care for patients. Sometimes as a physician, the business makes us lose sight of what is important and the impact we have on others. He will be greatly missed. My condolences to his mother, family, patients, and friends. He was clearly loved, respected, and admired.*

Thank you for also allowing my father to see you as a patient and not ever charging him one dime even though I begged at times. My heart aches for your family. May you find eternal peace in heaven*

“ I was a patient of Dr. Pietro for the last couple of years. I felt very lucky to have him as my physician. He was very kind and really listened. Last September when I saw him, I mentioned that I was flying up to UC Davis to check my son into the dorms. Dr. Pietro really lit up with a huge smile and said " I'm an Aggie!". We spent the next 10 minutes talking about UC Davis. I felt fortunate to see this other side of him. My deepest condolences to his family.

“ My husband and I were shocked to learn of Dr. Pietro's passing. We enjoyed knowing him and looked to him for sound medical care when my husband was diagnosed with kidney issues and then prostate cancer. Dr. Pietro was a great doctor, and he became a confidant and friend by taking the time to build rapport, a rarity in today's medical world. Each time we saw him, he greeted us with a warm and caring smile we will never forget. To Dr. Pietro's family, we're thinking of you and praying for your hurting hearts.

“ My family was very saddened to hear of Dr. Pietro's passing. He saved my Dad's life twice. Once in 1992 for Prostate Cancer and most recently for Bladder Cancer. I had the privilege of meeting Dr. Pietro several times during appointments and surgical procedures for my dad. He was a kind man that always listened and had kind encouraging words for his patients and their family. He would always tell my Dad how amazing he was for being so active and playing softball at the age of 84. What he didn't know was how amazing my Dad and family thought he was. My condolences to the Pietro Family. You are all in our thoughts and prayers

“ I have known and worked with Dr Pietro probably since the day he walked in as a young guy. I worked on the floor his patients came to. I was blessed to be one of his entrusted circle of nurses that he could call to take care of problems after hours. I think I still have my urology team coffee mug somewhere. He will be sorely missed by many. Heaven gained a good one. So sorry for the families loss.

“ SOAR WITH THE ANGELS Dr. Pietro started taking care of me shortly after I retired from the US Air Force. Compassion, kindness and friendship were his attributes that made me feel cared for. My family and I moved to North Carolina last year. I saw him just before we left. I will miss his smile and his professionalism. Most of all I'll miss his friendship. My heart goes out to his family. “ My heart is heavy, so devastating to have heard he passed. Dr. Pietro came into my life in 1989 while in the hospital after having my first child, I was told my kidneys were failing and they gave me 3 days to live when this man walked in and literally saved my life and I have been forever grateful for the past 29 years under his care. Whenever he saw you he would greet you with a warm smile and il will never forget his famous words to me well, here's a Blast from the Past. He was such a compassionate, warm hearted man that will forever be missed. My heartfelt condolences to the Pietro Family, Kelly Brandow & Family
