“ My sincere condolences to the family. I remember when she and the family rented an apartment in my community. She was my neighbor, friend and counselor. I moved away and left her to care for some ivy’s. I came back to California to see the plants all over the house. She truly had a green thumb. She named the plants after my daughter and I. “Shannon & Lexi” . She is greatly missed 💔

“ Our deepest condolences for your loss and we pray God's love around your entire family during this time. Treve was my neighbor years ago and was the first one to welcome my family to the apartments. God has a real soldier for the Kingdom with Him now.
