“ My prayers and condolences to Vicky's family. I was a nurse in her ICU for 10 years and learned how to 'really be a nurse'while there. I moved to my home state of Missouri 20 years ago. I was very saddened to learn she had passed away.

“ vicki was a great person and a great nurse. I had the honor of working with her years ago at Parkview and have thought of her many times over the years. I didn't know she passed. I goggled her name and found this obituary. I'm saddened by the loss and my condolences to her family.

“ Condolences to Vicki's family and friends. I am sure she was loved and cherished. I remember her as a sweet and caring person, always with a smile on her face. I had not seen her in many years but I am certain none of that changed. To Mike and Pam, and her mother Jeanne, I hope you know that she is blissfully happy and in the presence of her loving God. Peace be with you all.

“ *My prayers are for God's comfort to her family in this time of loss. Vicki was the most hard working person I have ever known. I worked with her for over 11 years and she never ceased to amaze me. May the Lord reward her richly for her service.*
