“ *We were so very sorry to hear of Ginny's passing and our deepest sympathy to her family and dearest friends. There are only a few people in this world that can touch a persons heart and Ginny was one of those kind hearted people, as you well know. We will miss her smiling face and brief talks as Bella would take a rest on our lawn. There must be comfort in knowing that she is once again with her husband and son. Rest in Peace Sweet Ginny> We will Miss You. Carrie, Greg, Jack, and Mary from Fairview Ave.*
