“ Dad just told me. He'll send me the Booklet and Card. Some of the Most Substantial Delightful, Memorable and Humorous Interaction I have had was with Billy, so genuine and unfettered it was. Short span it was.... glad for this site, to be able to keep close proximity even while years and distance away. Billy's life, is to recognize the other's eh -Glad Him and His Folks back together in the same realm. The one trait i witnessed from Your Dad, Dad's Verbal sharing of His Wife, the Children and Sometimes Especially the In-laws was that the strong individual makes for a stronger Collective. No cliché here folks, His is a Life and a Family to be Celebrated. "Buck and a Quarter Billy.....Buck and a Quarter"
