“ Hello dear mother. Your broken earthly body is now at rest. But your spirit lives on. I can feel you around me every day. You are still very much alive within me. It must be wonderful to be in heaven with your mother.....your brother.....and your cousin. You did a great job raising us and I'm proud to call you my mother. Thank you for giving me life. We will take care of dad and create memories with him until you two meet again. And your spirit will be with us all the way. I will do whatever it takes to meet you in heaven when it is my time. Until we meet again. I love you with all of my heart and soul. Your son
