“ Yul, you are soooo missed and loved; however, we know the Lord called his angel home. Continue to look out for your lady and my sister, as you are her guardian angel. Say hello to our sorors Margaret and Joyce; our Lord called them home also. xoxoxo

“ Yul was the man who captured Charlene's heart. It was a delight to see them together. Charlene was and is absolutely smitten with that sweet sweet soul. I am so glad that he came into her life, and that through my friend I got to meet him. I think of him often. He is greatly missed.
